- Visual inspection before shipping.
- Packing and marking inspection.
- Supervision of loading and unloading.

##### **4- SITE CONSTRUCTION :**

- Manpower supply for site supervision, inspection of installation and hook-up.
- Witnessing of commissioning tests.
- Witnessing of performance tests.
- Maintenance supervision.

##### **5- MULTI-STAGE SERVICES:**

- Quality assurance surveillance.
- Progress reporting.
- Expediting.

## 6- INSPECTION SERVICES :

- Safety inspection.
- Statutory inspection.
- Vehicle inspection.
- Technical inspection.
- Crane inspection.
- Lifting equipment inspection.

## II APPLICATION FORM:

### 1- General information:

(One) Name of *compans* and *its branches*:

.....  
.....

(b) Registered address for main *compans* and *branches*

.....  
.....

(Three) Telephone No. for main *compans* and *branches*

.....  
.....

(d) Facsimile No. for main *compans* and *branches*:

.....  
.....

(e) E-mail and web site if applicable

### 2- Type of organization, and activities:

.....  
.....

### 3-Ownership:

(One) If a corporation, attach list of principal owners:

.....  
.....  
.....  
.....

(b) If a partnership, list all partners:

.....  
.....

(c) If a joint-venture, provide all information indicated in schedules together with the Corresponding information for joint-venture organization itself using additional sheets as necessary.

.....  
 .....

(Four) List of other names under which the organization has operated

.....  
 .....

**4-Principals of companye**

<u>NAME</u>	<u>TITLE</u>

**5- The date of establishing the company :**

(Attach a copy of certificate of incorporation or article of association, etc...)

**6- average number of staff permanent payroll:**

	Professional	Technical	Total
1- Design			
2- Procurement			
3- Production			
4- Quality assurance			
5- Site			
6- Total			

**5-Experience:**

- 1- List on separated sheet shows experience and studies related to oil & gas material and devices .  
 Supervision. testing (complete project) on  
 Similar job, under taking during the last ten years on which your firm has performed as the main  
 consultant under the following headings:  
 a- Description of project, client and location  
 b- Size , type  
 c- remarks

**2- List of any projects which your organization has engaged in which required court action or arbitration *for* settlement within the preceding ten (10) years.**

**6-Authorized signatures**

give names, titles and signatures of person legally authorized to execute contract document :

Name	Title	signatures

**7-Quality assurance:**

SPC put great importance on quality assurance by the companye

**8-Exemple of our suplyes materiel:**

<b>PRODUCT</b>
MAGNETS-FISHING
JARS-HYDRAULIC
ACTIVATED CARBON
JUNK MILL
WIRE ROPES
CHAINS ROLLER
B.O.P.S.
ELEVATORS
AMMONIUM BIFLOURIDE
CORROSSION MEASURMENT INSTRUMENTS
BIOCIDES-ANTI CORROSION
POLYMERIC
AMMONIUM BIFLURIDE
RETARDER
SODIUM PHOSPHATE (NA3 P04)
C.M.C
ACTIVATED CARBON
CHLORINE
ION EXCHANGE MATERIAL
HCL
DIATOMACEOUS EARTH
DEMULSIFIER-CORROSION INHIBITOR
ROCK BITS
DRIFT INDICATORS
